

Sixth International Congress on Computational Mechanics and Simulation

Certificate

This is to certify that

Rajneesh Vachaspati

has presented the paper titled

*Comparative study of coal combustion in
air and O₂/CO₂ environment*

at the Sixth International Congress on Computational Mechanics and Simulation held
at Indian Institute of Technology Bombay, India from 27th June to 1st July 2016.

Organizers

Under the Aegis of

Civil Engineering
IIT Bombay

Structural Engineering
VJTI

Tarunkant

Tarun Kant
Mentor

Abhay Bambole

Abhay Bambole
Congress Chair

Y.M. Desai

Yogesh Desai
Congress Chair

IndACM

Indian Association for Computational Mechanics
